# About ISNRE2024

We are thrilled to extend a warm welcome to the 2<sup>nd</sup> International Summit on Non-Renewable and Renewable Energy, scheduled during August 26-28, 2024 in Valencia, Spain. Building on the success of our inaugural summit, this second edition promises to be even more inspiring and impactful.

ISNRE2024 summit aims to be at the forefront of shaping the future of non-renewable and renewable energy sectors. Distinguished researchers, industry experts, policymakers, and energy enthusiasts will converge in Valencia to explore the latest trends, challenges, and innovations in the energy landscape.

Over three dynamic days, attendees will engage in stimulating discussions, informative keynote presentations, enlightening panel sessions, and interactive workshops. Participants will have the opportunity to showcase their research findings, share expertise, and foster collaborations that drive energy advancements.

We look forward to welcoming you in Valencia!

Best Regards,

*Hema | Conference Manager*

# About City

## Valencia, Spain

Valencia, Spain, a captivating coastal city, offers a perfect blend of rich history and modernity. Renowned for its architectural wonders, such as the stunning City of Arts and Sciences, and the majestic Valencia Cathedral, the city seamlessly combines the old-world charm with contemporary flair.

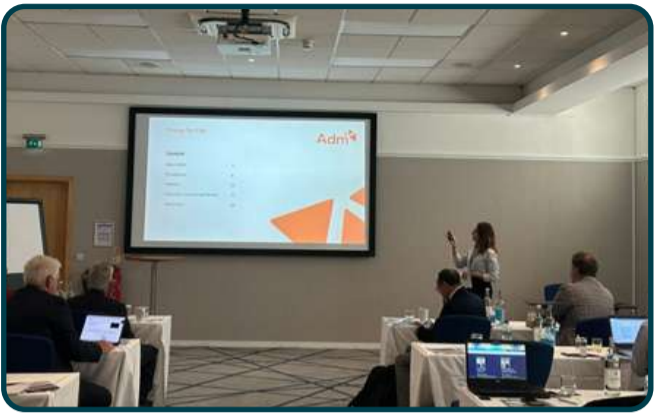

Nestled along the turquoise waters of the Mediterranean Sea, Valencia boasts beautiful beaches and a pleasant climate, making it an ideal destination for leisure and relaxation. The city's vibrant culture is evident in its lively festivals, such as Las Fallas and La Tomatina, which attract visitors from around the world.

Beyond its cultural allure, Valencia embraces a thriving culinary scene, offering delectable paella, traditional tapas, and a wide array of mouthwatering Mediterranean dishes.
