

3rd Global Summit on Neuroscience, Neurology and Brain Disorders

March 29-30, 2027 | Zurich, Switzerland

SPONSORSHIP & EXHIBITOR OPPORTUNITIES

Organized by Research Connects | Website: <https://neurology.researchconnects.org/> |
Email: neuroscience2027@researchconnects.org

Sponsorship & Exhibitor Queries: neuroscience2027@researchconnects.org

WHY SPONSOR **NEUROSCIENCE2027**?

The **3rd Global Summit on Neuroscience, Neurology and Brain Disorders (NEUROSCIENCE2027)** brings together leading neurologists, neuroscientists, clinicians, healthcare innovators, researchers, pharmaceutical professionals, and industry experts from around the world.

Following the successful completion of previous conference editions:

1st Global Summit on
Neuroscience and Neurological Disorders
Valencia, Spain | April 07–09, 2025

2nd Global Summit on
Neuroscience, Neurology and Brain Disorders
London, UK | March 12–13, 2026

NEUROSCIENCE2027 will continue fostering scientific collaboration, innovation, and networking opportunities in the rapidly evolving field of neuroscience and neurology.

This summit provides a premium platform for sponsors and exhibitors to:

- Showcase products, technologies, and healthcare solutions
- Connect with global decision-makers and research leaders
- Build academic and industrial collaborations
- Increase brand visibility among an international audience
- Generate high-quality business and research leads
- Present innovations directly to neuroscience professionals

“Position Your Brand at the Forefront of Neuroscience Innovation”

POSITION YOUR BRAND AT THE FOREFRONT OF NEUROSCIENCE INNOVATION

NEUROSCIENCE2027 **offers** exclusive opportunities to promote your organization through:

• Sponsorship Packages

• Website & Social Media Promotion

• Product Demonstrations

• Speaking Opportunities

• Exhibition Booths

• Networking with Academic & Industry Leaders

• Branding Across Conference Materials

Become part of a global platform shaping the future of neuroscience, neurology, brain disorders, AI in healthcare, and neurotechnology.

CONFERENCE TOPICS & INDUSTRY FOCUS

Core Scientific and Healthcare Focus Areas

Neuroscience & Brain Research

- Cognitive neuroscience
- Behavioral neuroscience
- Molecular neuroscience
- Translational neuroscience

Neurology & Clinical Practice

- Stroke and cerebrovascular disorders
 - Neurodegenerative diseases
- Epilepsy and seizure disorders
 - Neuromuscular diseases

Neurotechnology & AI

- Brain-computer interfaces
- AI in neurological diagnostics
- Neuroimaging innovations
- Digital neurology solutions

Mental Health & Psychiatry

- Psychiatric disorders
 - Neuropsychiatry
- Stress and behavioral disorders
- Cognitive rehabilitation

Pediatric & Geriatric Neurology

- Developmental neurological disorders
 - Aging brain research
- Dementia and Alzheimer's disease
 - Pediatric neuroscience

Neurosurgery & Advanced Therapeutics

- Neuro-oncology
- Surgical innovations
- Neuropharmacology
- Regenerative medicine

INDUSTRY DISCUSSION THEMES

- Artificial Intelligence in Neuroscience
- Precision Neurology & Personalized Medicine
- Future of Brain Imaging Technologies
- Stroke Prevention & Rehabilitation
- Neurodegenerative Disease Management
- Digital Healthcare Innovations
- Brain Health & Cognitive Performance
- Industry-Academia Collaborations
- Emerging Neurotechnology Startups
- Pharmaceutical & Clinical Research Advances

SESSIONS

<https://neurology.researchconnects.org/#Sessions>

EXHIBITOR VALUE

What Sponsors & Exhibitors Gain

- Direct access to international neuroscience professionals
- Opportunities to engage with healthcare institutions and universities
- Exposure to clinical researchers and healthcare decision-makers
- High-quality networking and collaboration opportunities
- Brand positioning within the global neuroscience community
- Visibility across conference promotions and scientific sessions
- Opportunities for product demonstrations and lead generation

Standard Sponsorship Entitlements

- Recognition as Sponsor/Exhibitor in conference materials
- Logo placement on the conference website with hyperlink
- Acknowledgement during opening and closing ceremonies
- Logo in conference posters, flyers, and proceedings
- Social media promotion across conference platforms
- Branding in email marketing campaigns
- Networking opportunities with delegates and speakers
- Sponsor recognition in the conference abstract book

SPONSORSHIP PACKAGES

Package	Investment	Key Inclusions
Platinum Sponsor	\$5000	• 2 Exhibition Tables • 4 Complimentary Conference Registrations • 15-Minute Presentation Opportunity • Premium Logo Placement on Website • Social Media Promotion • Branding in Email Campaigns • Logo in Conference Proceedings & Flyers • Complimentary Lunch & Coffee Breaks • Acknowledgement During Opening & Closing Ceremony • Priority Networking Opportunities
Gold Sponsor	\$4000	• 1 Exhibition Table • 2 Complimentary Conference Registrations • 15-Minute Presentation Opportunity • Logo on Website with Hyperlink • Social Media Promotion • Branding in Conference Materials • Complimentary Lunch & Coffee Breaks • Sponsor Recognition During Conference
Silver Sponsor	\$3000	• 1 Exhibition Table • 2 Complimentary Conference Registrations • Logo on Website with Hyperlink • Branding in Conference Materials • Social Media Promotion • Complimentary Lunch & Coffee Breaks • Sponsor Recognition During Conference
Exhibitor Booth	\$2000	• 1 Exhibition Table • 1 Complimentary Conference Registration • Logo on Website with Hyperlink • Branding in Conference Materials • Complimentary Lunch & Coffee Breaks • Networking with International Delegates

EXHIBITOR VALUE

• Pharmaceutical Companies

• Neurotechnology Companies

• Healthcare Organizations

• Medical Device Manufacturers

• Hospitals & Clinics

• Research Institutions

• Diagnostic & Imaging Companies

• AI & Digital Health Companies

• Rehabilitation & Therapy Centers

SPECIAL FOCUS FOR TNSQAI

WHY NEUROSCIENCE2027 IS STRATEGIC FOR TNSQAI

- Direct access to global neuroscience researchers, neurologists, healthcare innovators, and AI-driven healthcare professionals
- Showcase TNSQAI's expertise in Artificial Intelligence, Machine Learning, Data Science, and Healthcare Innovation
- Position TNSQAI as a strategic technology and innovation partner within the neuroscience and neurology community
- Connect with academic institutions, clinicians, hospitals, healthcare startups, and international research organizations

• **Explore collaborative opportunities in:**

• AI in Neurology

• Brain Imaging & Diagnostics

• Predictive Healthcare Analytics

• Neuroinformatics

• Cognitive Computing

• Digital Health Technologies

- Enhance visibility among international delegates from academia, healthcare, and industry sectors
- Strengthen research and innovation collaborations with global neuroscience experts and healthcare institutions

• **Gain branding exposure through:**

• conference website

• sponsor materials

• social media campaigns

• scientific sessions

• Networking events

WHY COLLABORATE WITH NEUROSCIENCE2027?

NEUROSCIENCE2027 provides an interdisciplinary platform where neuroscience, neurology, artificial intelligence, healthcare technology, and research innovation converge to shape the future of brain health and digital medicine.

WHY ZURICH?

Zurich is recognized as one of Europe's leading hubs for healthcare innovation, scientific research, biotechnology, and medical advancement. The city offers an ideal international environment for networking, collaboration, and scientific exchange.

JOIN US AT NEUROSCIENCE2027

Connect with leading neuroscientists, neurologists, clinicians, researchers, healthcare innovators, and industry experts from across the globe.
