ABOUT

NEUROSCIENCES2027

Research Connects delightedly welcomes you to its 3rd Global Summit on Neuroscience, Neurology and Brain Disorders (NEUROSCIENCE2027) which is going to be held during March 29-30, 2027 in Zurich, Switzerland.

NEUROSCIENCE2027 offers a unique opportunity to debate and uncover new research and business potential in the fields of Neuroscience, Neurology and Brain Disorders. The major purpose is to assist researchers and students in this subject in connecting with industry specialists and finding applications for their research, as well as the other way around.

The three-day conference will include plenary and keynote lectures by experienced experts and oral and poster presentations by both contemporary and established researchers.

We are eagerly anticipating the exciting and mind-stimulating presentations at the conference.

We look forward to seeing you in Zurich in March, 2027...!!!

NEUROSCIENCE 2027

WHY TO ATTEND???

- Meet worldwide Experts, Exchange ideas and network with leading researchers.
- Learn and discuss quality initiatives, key news and challenges with senior level speakers.
- Learn skills and stay up-to-date with presentations, panel discussions, roundtable discussions, and workshops, we cover every topic from top to bottom, from global macro issues to strategies to tactical issues.
- Greater Focus, participants can gain direct access to a core audience of professionals and decision-makers and can increase visibility through branding and networking.
- New Tips & Tactics you can learn beyond your field or interest.

WHO CAN ATTEND???

- Professors
- Associate Professors
- Assistant Professors
- PhD Scholars
- Graduates and Post Graduates
- Directors, CEO's of Organizations
- Head of Departments
- Association, Association Presidents and Professionals
- Research Institutes and Members
- Training Institutes
